Respected Sir,

We, the residents of Kanakanapalya, Bangalore Taluk, beg to bring the following to your kind consideration and favourable orders

We are aware of the fact through your notification No dated intimating that certain houses belonging to us will be acquired by the Bangalore City Improvement Trust Board. The above houses have been built by us for our residential purposes We have no houses for or building sites any where in or round about Bangalore City, and we have constructed as far back as 1936-37 and we have taken heavy loans for acquiring sites and constructing the buildings and we have not yet been able to discharge the above loans We are prepared to pay conversion taxes and convert revenue lands to building sites We request that this may be included in the Municipality area

When we represented our grievances to the Deputy Commissioner in this respect, he has been kind enough to give us an endorsement to the effect that the matter will be considered at an early date At a meeting held on 2nd May 1936, the City Municipal Council had passed a resolution to give permission to convert the revenue land to building sites if applications were to be received from proper persons We built our houses in the above circumstances.

Now we learn that orders have been passed to construct roads passing through our houses We request you to see that the above order is cancelled and the arrangement may be made to construct roads in such a way that our present houses are not disturbed

Further we pray that our houses may be saved from being destroyed Most of us are wage-earners not even getting Rs 20/- per mensem, and living a hand-to-mouth existence Considering our difficult condition, we trust that you will do the needful and give us protection without any delay in the matter

If our applications are not considered favourably, we will be put to much distress and misery

SUBJECT - Prayer of the residents of Kankanpalya village, Bangalore Taluk, requesting that their houses may not be demolished for the formation of a road etc

With reference to your letters Nos L 16249 dated 24-4-1948, 16709 dated 10-5-48 and 16293 regarding the prayer of the Adikarnatakas that their houses may not be acquired and demolished etc , I have the honour to state that as already stated in my letter No G 355/47-48 dated 5-4-1948 the road referred to by the petitioners has to be continued further but for the present, it stops on the out-skirts of the village and there is no proposal to demolish the houses immediately The continuance of the road work will be taken up after fixing some sites in the vicinity for these Adikarnatakas to shift

2 This question was placed before the Board for consideration at its meeting held on 25-5-1948 and after discussing the matter in detail, the Board passed the following resolutions -

" Adikarnataka huts in the Kankanpalya area

RESOLVED that
(a) The whole area be cleared up for the layout as the same was essential for the layout
(b) The Harijans be provided with other plots in the layout and charged ground rents

Government be also requested to make a grant covering the cost of the sites to be given to these Harijans, and of the small buildings that may be constructed by the Trust Board for their location in suitable areas

(c) That they should not be disturbed till land was provided for them

3 The Minister for Finance and Industries who was pleased to inspect the area on the 26th June 1948 was also

of the opinion that steps to provide them with area where they could put up their sheds should be expedited It was explained that they were agreeable to take up a particular area and that steps were being taken in this behalf

4 In these circumstances, it may be stated that the Adikarnatakas will not be evicted from their present place till a plot of land in the vicinity is allotted for them to shift

Respected Sir,

We, the undersigned depressed class residing at Kankanpalya, A, Black nand, Bangalore City, most humbly and respectfully beg to bring the following few lines for your kind and sumpathetic consideration and trust that our humble prayer would be met with success -

We beg to bring to your kind consideration that we are living here in survey No 14, with these some huts more than forty years in the same land. Many Government Officers visited our place and our housed in which we are now compelled by circumstances to live in sanitary and unhealthy condition and they have been promised us all the facility as including the Model-houses, with water light facilities. So far we have not been given any help which they have promised us

Recently the Special Amildar, belt-area has visited and given us a notice of T T which could not understand Our genuine Responsible Government, are affording all sorts of facilities to the Depressed Class, specially to lift them up in all possible ways, but due to certain mishandlings of some of the intermediate Officers, we are not in a position to derive the full benifits of the encouragement.

In view of the above circumstances, we most humbly and respectfully beg of your honour to be kind enough to cancel the T T and provide us with the tiles, rafters, reepers, bricks and including plan

For which act of kindness and timely help we shall ever remain grateful and we pray for your long life and prosperity.

Anxiously awaiting your favourable consideration.
